

LAST CALL: November Group Show Entries

We are continuing to feature various artists' work for our monthly group shows in our weekly eblasts!

Human, animal and alien bodies are awe-inspiring! And so are a helping hand, a hand out, a foot path and a finger print. Show us your perspective on—and interpretations of—hands and feet! All media accepted.

If you would like your work to be featured on our weekly eblasts please send us one image (1080 px by 1350 px) of your work (labeled with your name and the title), information

regarding the medium, price, and it's original size to Assistant@chestercountyarts.org.

You may submit work anytime between now, October 21st, and Nov. 5th, 2020

Please do not hesitate to reach out if you have any questions!
