Dear Friend of the Arts,

Subject: Partner with Us to Honor Ellen Salome's Legacy Through Art

The Ellen Salome Memorial Fund, a registered 501(c)(3) nonprofit organization, proudly invites you to become a prominent partner for our upcoming fall afternoon charity reception. A student lead collaboration with Art2Hearts and The Church of the Loving Shepherd.

Celebrating Life with Art.
This premier event takes place on **Sunday, November 1, 2026**, on the grounds at the Church of the Loving Shepherd in West Chester, PA. Weather permitting this will be an indoor and outdoor no required fees event. All proceeds benefit our fund, which was established in honor of Ellen Salome, a brave pediatric heart transplant patient who tragically passed away from cardiac arrest during her freshman year of high school. Ellen deeply loved the arts, and this afternoon reception ensures her vibrant legacy continues to inspire and support others. **Our mission is to Inspire Dreams and Honor Legacies by gifting joy to others.**

Ellen's life and death inspired a mission dedicated to providing opportunities for joy through events, scholarships, mentorships, and in-kind gifts. **Celebrating Life with Art brings together local artists, collectors, and community leaders for an inspiring afternoon featuring a live art auction, musical performances, and curated culinary experiences.** By aligning your brand with this event, you demonstrate a deep commitment to our community and the transformative power of the arts.
