### **Welcome Casey Egan!**

Please welcome Casey Egan who joined our CCAA team on Monday, February 17th. She will handle

all of our Education Programming. Casey's title is Education Planner. She can be reached at [cegan@chestercountyarts.org](mailto:cegan@chestercountyarts.org).

Casey most recently worked for the Abington Art Center where she wore many hats! In addition to programming, her experience with them includes special events, space rentals, exhibitions and an annual pop-up holiday gift shop. A WCU graduate with an arts degree, she also has teaching experience and is passionate about the arts.

On a fun note, Casey and her husband spent a month on the Appalachian Trail last year before continuing a hiking adventure throughout the southwest and northwest sections of the country.

Please stop by to say hello!
