Welcome to Claire Kinane!

Claire Kinane has joined CCAA as our Membership & Office Coordinator. She is recent graduate of WCU with a BFA in Graphic and Interactive Design.

A long-time CCAA volunteer, Claire has helped with summer camps and many events as well as encouraged her fellow National Honor Society members to join her.

Claire will be responsible for the weekly eblasts, member support, donor thank you letters, and office needs. We're thrilled to have her on board, and she'll be working remotely until CCAA reopens for onsite programming.
