

## Flower Collage

### Materials needed:

12 x 24 white construction, thin strips of black construction paper, (approx. 12 inch lengths) variety of colored card stock paper and/or colored scrap paper, water color paints, paint brushes, oil pastels, scissors, Elmer's Glue, pencils

### What to do:

1. Use watercolor paint to create brightly colored background on white construction paper.

Allow paper to dry thoroughly.

2. While watercolor paint is drying, cut out flower shapes in different sizes and shapes. (see sample)

3. Color in designs on paper flower cut-outs using oil pastels.

4. When large construction paper is dry, glue black stems and branches to paper.

5. Next glue flower shapes to black branches.

6. Encourage students to add more designs to surface of paper using oil pastels.

7. Have students write their names on the back of their papers using pencils.
