

Typographically Told Images Needed!

We only received a handful of entries, and this is the last chance for you to submit your Typographically Told Work.

Group Shows: We will be using submissions for our weekly eblasts to give broad visibility.

For the **September group show, Topographically Told**, artists may submit 1 piece. There are no entry fees and there will not be any awards.

The JPG file for your work must be 1080 px by 1350 px, and the file must be labeled with your name and the title. Information regarding the medium, price, and it's original size should be sent in an email with the JPG to our Assistant@chestercountyarts.org email.

Please contact Claire Kinane, ckinane@chestercountyarts.org, if you have any questions.
