CCAA March 2020 Appeal

In recent weeks, the Chester County Art Association, like other organizations in our community, has begun to experience a new type of hardship as a result of the current COVID-19 pandemic.

CCAA, out of love for our constituents, has temporarily suspended our programming. While this is the correct action in these circumstances, it leaves CCAA without revenue from classes, art sales, and other programming.

We ask you today to consider making a donation of personal significance to our organization. Your gift will enable CCAA to continue to provide support for Chester County and beyond with its arts programming.

CCAA Staff and Board of Directors thank you for considering this request. We wish you and your loved ones a safe and healthy Spring!

"We have needed and sought the healing and teaching power of the arts for a long time, perhaps forever." - Robert Lynch, President and CEO, Americans For The Arts
