## Clay Studio Improvements!

Many thanks to individual donors for specific contributions to improvements in various studios. In ceramics, the new glass block window looks terrific!

## Art Activities: Animals

Enjoy some projects from our homepage that can be done with minimal supplies at home. Please feel free to forward these PDFs to anyone else who might enjoy them. Post photos of your projects on social media and tag CCAA on Instagram and Facebook to share your creativity! Please click on the image to visit each activity or visit the art activity section at the bottom of our home page.
