

CCAA 2022 Summer Camp Volunteer Information

Summary Description

The Chester County Art Association offers an annual 11-week summer camp from June to August for children and young adults ages 4-17. In 2022, all camp sessions are half day. (9:00AM-12:15PM and 12:45PM-4:00PM). Volunteers are needed to help with the day to day operations and bring extra fun to our classes! Out of courtesy to our instructors and students, we ask that volunteers commit to a full week of camp, whether that be a half-day session or two sessions to make a full day. This is a great opportunity for parents, or high school students to build a high school portfolio and gain some volunteer hours!

Duties / Responsibilities

- Must commit to a full week of camp, whether that be a half-day session or two sessions to make a full day.
- Assist staff with pick up and drop off
- Assist instructors in classrooms with younger campers
- Cleaning and sanitation of public areas
- Monitor campers during lunch and snack time
- Assist with administrative tasks to prepare for camp the following week
